UNSTUCK YOUTH CAMP

The **UNSTUCK Youth Camp** is an interactive camp for youth that uses an accredited youth program from the Trauma Healing Institute based in America. This camp is run by Christian leaders and is routinely run with youth of other faith backgrounds. Camp participants will be using stories from the Bible to reflect on, and tell their own stories, connect with feelings, and build skills to cope with the difficulties of life. It will also provide them with the opportunity to connect with others their age in a meaningful way. We promote a safe place for youth to begin to find healing from some of the hurts they have had in life through experiencing love from the group facilitators, from their peers, and from God.

During the camp there will be sessions addressing questions that youth sometimes struggle with;

- *Why am I feeling this way?*
- *What can I do with my feelings?*
- *How do I get unstuck?*
- *How can I relate to God in uncertain times?*
